RESIDENT TESTIMONIALS

RANDI E.

RESIDENT

I've lived at The Standard for almost a year now and absolutely love it! They have great amenities and the staff are always so helpful and kind. It really feels like a community you're apart of and they often host events and contests to help you get involved and meet your neighbors. I love the resort style pool, the gym and especially the underground parking garage. I would definitely recommend living here to anyone!

The Standard has been hands down our best apartment experience ever! Everyone there is so kind and all service requests are taken care of promptly. No better place to live and have our dog run around!

RESIDENT

I have lived here for a little over a year at this point and I have nothing but amazing things to say about the facility, staff, and just the overall environment here. The apartments are very well designed, and the maintenance staff

is always extremely helpful and very fast at responding. Would recommend to anyone!
