The Grand Plan at Bricktop36 offers spectacular views of Downtown Des Moines to the north while backing to a tranquil timbered landscape. Luxury living at its finest, The Grand Plan boasts elegant finishes and a modern living feel throughout. Owners are greeted with a nice entry on the first level with access to the garage and a flex room, great for a home office or storage. On the second level, the spacious primary suite includes an en suite bathroom with tiled floors, engineered marble shower walls, and a walk-in closet. The secondary bedroom captures views of the wooded canopy to the south and has quick access to another full bathroom in the hallway. An open-concept top floor features the kitchen, pantry, dining space, living room, laundry room and a half bath. LVP Floors, Carrara Trinita quartz countertops, marble tile backsplash, stainless steel Samsung appliances, and a Delta Trinsic Pull Faucet...
