Welcome to the Kettlestone Central Townhomes, Caliber Company's newest townhome community in the heart of Waukee, IA. The Kettlestone Central Development is a 164 acre mixed used development project that will provide homeowners with access to many dining, shopping and entertainment options. The home features 2BR/2.5 BA, luxury vinyl plank flooring, Carrera Trinita quartz countertops, white subway tile kitchen backsplash, and Peerless plumbing fixtures. Aesthetically appealing architecture and design paired with high quality products, such as James Hardie siding, distinguish these townhomes from the rest of the market.
