This isn't just another townhome, it's a Caliber townhome, and this end unit ranch delivers over 2,400 square feet of total finished living with 4 bedrooms and 3 bathrooms. The open-concept main level features a great room with abundant natural light, a chef's kitchen with quartz counters, glazed porcelain backsplash, designer island, walk-in pantry, and a hood vent above the stove for a more custom feel. A secondary bedroom sits at the front of the home on the main level, while the primary suite features its own private bath and convenient laundry room access. Downstairs, the finished lower level, which offers over 1,000 square feet, provides a second living space, two additional bedrooms, and a full bath. Enjoy the large covered composite deck with steps, perfect for relaxing or entertaining. Premium construction details throughout and quick access to schools, parks, trail heads, Jordan Creek shopping, dining, and I-80. 2-car attached...
